

20 April 1973

Mr. Allen H. Kassof
Executive Director
International Research and Exchanges Board
110 East Fifty-Ninth Street
New York, New York 10022

Dear Mr. Kassof:

This is to inform you that you have my permission to show my letter of 16 April to individual academicians connected with the IREX program should the need arise. I am pleased that you have decided to handle the matter this way rather than make it a subject of discussion in an open forum.

Sincerely,

[Redacted Signature]

Edward W. Proctor
Deputy Director for Intelligence
